

## MASSACHUSETTS ORGANIZATION OF STATE ENGINEERS AND SCIENTISTS

JOSEPH DORANT, PRESIDENT
B. MARIE CUNNINGHAM, VICE PRESIDENT

ALLEN BONDESON, SECRETARY VINCENT LONG, TREASURER

January 16, 2008

Dear MOSES Member,

As you probably know, Governor Deval Patrick has announced that he is including in his proposed FY09 state budget a plan to shift more than \$51 million in costs to state employees by increasing the premiums they pay for their health insurance coverage. He intends to create three tiers of state employees and charge them different premium levels based on income:

- Employees earning less than \$35,000 would continue to pay 15 percent.
- Employees earning from \$35,000 to \$50,000 would pay 20 percent.
- Employees earning over \$50,000 would pay 25 percent.

MOSES is urging members to contact the Governors office immediately and ask him NOT to include this plan in his budget proposal to the Legislature. MOSES is only as strong as its membership. This is "our" fight and the time to act is now. Please email or phone Governor Patrick with the following message:
